

IMACOV

Enriched with Immunity enhancing Fruits & Herbs

Description:

IMACOV is enriched with fruits & herbal extract that are excellent source of natural vitamins, Minerals, bioflavonoids & other phytochemicals.

Bioflavonoids and other phytochemicals have immune-modulatory effects. Bioflavonoids function as antioxidant, anti-mutagenic, antibacterial, anti-inflammatory, anti-allergic, enzyme modulation, and anti-viral. bioflavonoids support balanced immune cell activity for better immune response. Bioflavonoids have a synergistic function with vitamin C for enhanced immune support, and increases absorption of vitamin C.

Botanical extract are excellent source of vitamin A, B, C, D, and E have been reported to boost up the immune system by strengthening the activity of immune cells during any pathogen attack or in the case of the intrusion of some toxic materials either inhaled from air or that may be present in the foods.

Vitamins A, C, and E mainly aid in enhancing the skin epithelium barrier function. Vitamin C contributes to immune defense by supporting various cellular functions of both the innate and adaptive immune system. Most of the vitamins like, B6 , B9 , B12, A and D are also applied in our body to boost-up the cell-mediated immune response with the production of cytokines and T-lymphocytes.

IMACOV contains botanical extracts rich in trace minerals that have immune boosting potential. A deficiency in Cu, Zn, or Se has immunosuppressive effects on the host, which can lead to increased susceptibility to infectious disease.

Ingredients:

Citrus sinensis: An excellent source of vitamin C, a powerful natural antioxidant that builds the body immune system. Important phytochemicals like liminoids, synephrine, hesperidin flavonoid, polyphenols, pectin, and sufficient amount of folacin, calcium, potassium, thiamine, niacin and magnesium are also present.

Grapes (*Vitis Vinifera*): The major source of dietary resveratrol, Dietary vitamins (A, C and E), polyphenols and minerals . it exhibits antioxidant potential & immune-nutrition properties.

Guava (*Psidium Guajava*): Guava is rich source ascorbic acid and iron by virtue of which it reduces lungs congestion & mucous formation and at the same time keeps the respiratory tract free of any unfriendly pathogen. It acts antimicrobial & anti-allergic agent.

Acerola Cherry (*Malpighia Emarginta*): acerola fruits are well known for their high content of vitamin C, phenolic compounds, including benzoic acid derivatives, phenylpropanoids, flavonoids, anthocyanins, and carotenoids. It is a powerful antioxidant & immune booster.

Papaya (*Carica Papaya*): Papaya is rich in iron and calcium; a good source of vitamins A, B and G and an excellent source of vitamin C (ascorbic acid).

Sweet Lemon (*Citrus Limettioides*): it provides a variety of constituents, including vitamin C, folic acid, potassium, flavonoids, coumarins, pectin and dietary fibres. Citrus flavonoids have a broad spectrum of biological activities including antibacterial, antioxidant, analgesic, anti-inflammatory, anti-anxiety etc

Lemon (*Citrus Lemon*): it has antibacterial, antiviral, antifungal & antipyretic activities. Vitamin C helps the inner infection, while the lemon's antiviral characteristics can assist the mucous membranes of your neck and mouth

Capsicum (*Capsicum Annum*): Capsicum peppers are good sources of vitamin K, C, B and carotene (pro-vitamin A) in addition to lycopene, flavonoids, Phytochemicals and trace metals.

Emblica officinalis: it is a natural, efficacious antioxidant with the richest natural source of Vitamin C. it has anti-viral properties and also functions as an anti-bacterial and anti-fungal agent. Amla fruit contains naturally occurring heat stable vitamin C. vitamin C contained in Emblica officinalis get better assimilated than synthetic vitamin C.

Benefits:

- Immuno Modulator, Anti Oxidant, Anti-inflammatory, Antiseptic & Antiviral.
- Helps body fight against viral infection like flue, dengue, covid-19 etc
- Helps in wound healing
- Helps in collagen synthesis
- Supports cellular immune response
- Supports production and activity of antibodies
- Supports activity of natural killer cells

IMACOV Capsule

Composition:

Each capsule contains-

Orange (*Citrus Sinensis*) extract (fr.)

100 mg

Grapes (<i>Vitis Vinifera</i>) extract (fr.)	100 mg
Guava (<i>Psidium Guajava</i>) extract (fr.)	100 mg
Acerola Cherry (<i>Malpighia Emarginta</i>) extract (fr.)	100 mg
Papaya(<i>Carica Papaya</i>) extract (fr.)	100 mg
Sweet Lemon (<i>Citrus Limettioides</i>) extract (fr.)	50 mg
Lemon (<i>Citrus Lemon</i>) extract (fr.)	50 mg
Capsicum (<i>Capsicum Annum</i>) extract (fr.)	50 mg
Amla (<i>Embllica Officinalis</i>) extract (fr.)	50 mg
fr. -Fruit	

Reference- Bhav Praksha Nighantu

Dosage- One capsule Twice a day or as directed by the Physician.

IMACOV Syrup

Composition:

Each 10 ml contains-

Orange (<i>Citrus Sinensis</i>) extract (fr.)	200 mg
Grapes (<i>Vitis Vinifera</i>) extract (fr.)	200 mg
Cherry (<i>Prunus Avium</i>) extract (fr.)	175 mg
Papaya(<i>Carica Papaya</i>) extract (fr.)	160 mg
Guava (<i>Psidium Guajava</i>) extract (fr.)	150 mg
Amla (<i>Embllica Officinalis</i>) extract (fr.)	100 mg
Sweet Lemon (<i>Citrus Limettioides</i>) extract (fr.)	75 mg
Lemon (<i>Citrus Lemon</i>) extract (fr.)	75 mg
Capsicum (<i>Capsicum Annum</i>) extract (fr.)	75 mg
fr. –Fruit	

Reference- Bhav Praksha Nighantu

Dosage- 5 ml twice a day or as directed by the Physician

Other Information-

To be taken under medical supervision.

Keep the medicine out of reach of children

AYURVEDIC PROPRIETARY MEDICINE COMPLETELY SAFE
