

NATVIC

Natural Vitamin C Derived from Amla, Orange & Tulsi

Natural Vitamin C -500 mg with Bioflavonoids

Description:

Natvic is formulated with herbal extract that are excellent source of natural vitamin C. Although synthetic and food-derived vitamin C is chemically identical, fruit and vegetables are rich in numerous nutrients and phytochemicals which may influence its bioavailability. Herbal extracts derived Vitamin C is more bioavailable than synthetic. Naturally derived Vitamin C exhibits better absorption power. It has no harsh effect on stomach. Citrus fruits are very rich in flavonoids. Flavonoids increases Vitamin C bioavailability. Flavonoids also inhibit the *in vitro* oxidation of vitamin C.

Health benefits of Vitamin C: Vitamin C deficiency results in impaired immunity and higher susceptibility to infections. Benefits are:

- Vitamin C contributes to immune defense by supporting various cellular functions of both the innate and adaptive immune system.
- Vitamin C supports epithelial barrier function against pathogens and promotes the oxidant scavenging activity of the skin, thereby potentially protecting against environmental oxidative stress.
- Vitamin C accumulates in phagocytic cells, such as neutrophils, and can enhance chemotaxis, phagocytosis, generation of reactive oxygen species, and ultimately microbial killing.
- It is also needed for apoptosis and clearance of the spent neutrophils from sites of infection by macrophages, thereby decreasing necrosis and potential tissue damage.
- It has been shown to enhance differentiation and proliferation of B- and T-cells, likely due to its gene regulating effects.
- It acts as an antioxidant, helping to protect cells from the damage caused by free radicals.
- The body also needs vitamin C to make collagen, a protein required to help wounds heal.
- Vitamin C improves the absorption of iron from plant-based foods.
- Helps the immune system work properly to protect the body from disease.

Ingredients:

Emblica officinalis: it is a natural, efficacious antioxidant with the richest natural source of Vitamin C. It has anti-viral properties and also functions as an anti-bacterial and anti-fungal agent. Amla fruit contains naturally occurring heat stable vitamin C. Vitamin C contained in Emblica officinalis gets better assimilated than synthetic vitamin C.

Citrus sinensis: An excellent source of vitamin C, a powerful natural antioxidant that builds the body immune system. Important phytochemicals like liminoids, synephrine, hesperidin flavonoid, polyphenols, pectin, and sufficient amount of folacin, calcium, potassium, thiamine, niacin and magnesium are also present.

Tulsi extract: It has numerous pharmacological activities like immunomodulatory, analgesic, anti-stress, antipyretic, anti-inflammatory, anti-hypertensive and anti-bacterial. The active constituents of herb include volatile oil eugenol and B-caryophyllene, flavonoids and a number of other components present in fixed oil.

Natvic Tablet

Composition:

Each tablet contains-

Amla (<i>Emblica Officinalis</i>) extract (fr.)	500 mg
Orange (<i>Citrus Sinensis</i>) extract (fr.)	150 mg
Tulsi (<i>Ocimum sanctum</i>) extract (lv.)	50 mg

(Provides Natural Vitamin C 500 mg)

fr. –Fruit lv. - leaves

Reference- *Bhav Praksha Nighantu*

Natvic Liquid

Composition:

Each 10 ml contains-

Amla (<i>Emblica Officinalis</i>) extract (fr.)	750 mg
Orange (<i>Citrus Sinensis</i>) extract (fr.)	500 mg
Tulsi (<i>Ocimum sanctum</i>) extract (lv.)	50 mg

(Provides Natural Vitamin C 100 mg/5 ml)

fr. –Fruit lv. - leaves

Reference- *Bhav Praksha Nighantu*

Benefits:

- Immuno Modulator, Anti Oxidant, Anti-inflammatory, Antiseptic & Antiviral.
- Helps body fight against viral infection like flu, dengue,covid-19 etc
- Helps in wound healing
- Helps in collagen synthesis
- Supports cellular immune response
- Supports production and activity of antibodies
- Supports activity of natural killer cells

Dosage-

Tablet-One Tablet Twice a day or as directed by the Physician.

Liquid- 5 ml thrice a day or as directed by the Physician.

To be taken under medical supervision.

Keep the medicine out of reach of children

AYURVEDIC PROPRIETARY MEDICINE COMPLETELY SAFE

Store in a cool, dry and dark place below 25 * C.

Other Information- Non GMO, Soy free, Vegan, dairy free, Gluten free
